Machine Guide Classes: We offer unlimited guide classes for all our new machine owners who purchase their machines through us. A separate sheet is available upon request for a complete breakdown according to machine. If you would like to attend our scheduled guide classes for a machine that was not purchased here the fee is \$25.00 per class. One on one classes are available and the fee for that is \$25.00 per hour.

Open Sew Studio: - During open sew customers are welcomed to bring in UFO's or a project of choice. An instructor is not committed to this class, but assistance is available if needed. Come in use our classroom and join this friendly group and see how much fun we have.

Project Christmas Stockings- This is FREE to anyone helping make Christmas Stockings.

BOM Sew Studio - This is FREE for those participating in our Block Of The Month programs. Come in and work on your BOM and enjoy a little time away from home sewing with others.

Beginner Quilting- In this beginner quilting classes you will be working on a lap size quilt to get you started and help get you familiar with all the basics. Using a great book "Start Quilting" by Alex Anderson. This book has several beginner quilts and is a great reference book to have on hand.

Skill Level: Beginner

Beginner Sewing - This is a 3 week class and will help you become familiar with using a sewing machine and teach you all the basic techniques necessary to get you on your way to sewing.

Skill level: Very Beginner

Bernina V6 Software Boot Camp - Let Lorna show you how to use your software to the fullest. She will begin by teaching you the basics of getting around in your software to learning how to digitize your own designs using all the tools this embroidery software has to offer. For those of you who have the Version 4 or 5 Embroidery Software, come to the class free and observe all the new tools Version 6 has to offer. You may decide to upgrade.

Instructor: Lorna Goodwin

Skill level: Beginner

Garden Club - Thursday Evenings- Join Lorna in making an amazing quilt with lots of great embroidery appliqué designs.

Skill Level: Intermediate

Iowa Girl Wall Hanging- You'll love the appliqué in this quilt. Make it in fall colors for the season. The combination of different blocks and appliqué of tulips and vines make it very striking.

Skill Level: Confident Beginner

Home Dec -Valances with Piping- Join Leigh in this 2 week class of creating beautiful valances edged with piping. Make a new valance for the up coming holiday season!

Skill Level: Confident Beginner

Jungle Fever- Do you love Batiks? Come in and check out Judy's quilt. She will be teaching a 3 week class on Saturdays. The colors in this are just amazing and would make a great gift for Christmas.

Skill Level: Confident Beginner

Hey Diddle Diddle- Is there a little one on the way for someone you hold close to your heart? Surprise them with this at an upcoming shower. We have kits already to go for this children's quilt/wall hanging. Size finishes at 47" x 47" Class will be for 3 weeks.

Skill Level: Confident Beginner

Continuous Borders with Embroidery- Learn how to re-hoop and continue embroidering around table clothes and quilts. Just imagine how much fun you could have embellishing with thread. Take our two day class and take your embroidery to the next level.

Skill Level: Experienced Embroiderer

Bejeweled Table Runner- This is a great one day class and an easy one at that. Whip up some unique runners for Christmas gifts using a handy Creative Grids ruler. Judy's sample came out amazing. Stop by and check it out and sign up!

Skill Level: Confident Beginner

Serger Guide Class- This is the time to get familiar with your lovely serger, Help with threading and adjusting tensions is here. Kathy is great at what she does and would love to help with any questions you may have,

NOTE: This is a one night class, PLEASE be sure to bring your serger in working condition. Kathy can only tend to customers with working machines, to make it fair to ALL paying customers. If unsure of working quality be sure to get it serviced in advance. Thank You!

Cost: \$25.00

Mariner's Compass: 3 weeks Intermediate to Experienced Quilter Have you ever wanted to take on a Mariner's Compass but thought you could never master those points? You can conquer this striking quilt using the foundation piecing method. You'll be amazed with your results? It will look like you spent hours making it look perfect. Purchase of book with supply list required.

Skill Level: Intermediate

Claire Handbag- This versatile bag, created from a Lazy Girl pattern, can be as dressy or as casual as you'd like. It uses 7 fat quarters and has contrasting panels with two outside pockets and six inside pockets.

Fusible fleece and interfacing inside the bag add stability to your choice of fabric. 2 3-hour sessions.

Skill level: confident beginner.

Software Sampler- - This is a great once a month program to help get Bernina owners involved with their V6 software. A virtual Bernina educator, with Lorna's assistance will walk participating students through a software lesson and introduce a project showcasing the technique from the software lesson. A brief overview of the project will be presented along with tips and tricks for project completion. This is a great ongoing program, with each session running approximately 2 1/2 - 3 hours.

Class Fee: If purchased V6 with us; first 3 classes are free. If outside purchase; cost is \$15.00 per class.

Upcoming Saturday Events

October 16th - Pam's 3D Poinsettia Embroidery

10:00 - 2:00

This is going to be an exciting event with Pam as our special guest. Pam has perfected the art of making amazing 3D designs with embroidery. We will be making a Poinsettia during this event and supply lists are now available. Sign up and prepare to learn something new!

&

Bernina's Super Saturday Goes Pink

November 6th - FREE EVENT - PIVOTAL STITCHING

10:00 - 3:00

Have you thought to yourself "What can I do with all those decorative stitches on my sewing machine?" Well join us for this free event and we'll show you. You will learn to combine decorative stitches and then pivot and

sew them out in different directions to form “Snowflakes”. We will also experiment with other stitches so you can use them to embellish all types of sewn projects. Sound like fun? Lisa will be hosting the first of several free events to help you become more creative using the tools available on your sewing machine. The class will be from 10:00am – 3:00pm on Saturday, November 6th. This class will be limited to 10 people so sign up early. The supply list will be e-mailed to you.

November 20th - Holiday Open House

10:00 - 2:00

We will be making Christmas Cards, Bags and Tags in the classroom to help you get ready for the holidays. We'll have sewing and embroidery machines all set up so you can just sit and sew with our assistance. In appreciation of your loyalty, we will also be serving lunch so stop by and join us for the festivities. There will be some fantastic deals throughout the store and we'll have some great giveaways throughout the day. Please call if you'd like to join us for this fun and festive day!

December 4th - FREE Bobbin Work Event

10:00 - 2:00

Let's play around with a different way to use your bobbin. Judy has made neat projects and you can to. Learn a new way of embellishing.
